You live your life in the songs you hear  
On the rock & roll radio  
And when a young girl doesn't have any friends  
That's a really nice place to go  
Folks hopin' you'd turn out cool  
But they had to take you outa school  
You're a little touched you know, angie baby

Lovers appear in your room each night  
And they whirl you 'cross the floor  
But they always seem to fade away  
When your daddy taps on your door  
"angie girl, are you alright?  
Tell the radio good night."  
All alone once more, angie baby

(chorus):  
Angie baby, you're a special lady  
Livin' in a world of make believe ... Well, maybe

Stoppin' at her house is a neighbor boy  
With evil on his mind  
'Cause he's been peekin' in angie's room  
Every night through the window blind

"i see your folks have gone away,  
Would you dance with me today?  
I'll show you how to have a good time, angie baby"

When he walks in her room, he feels confused  
Like he walked into a play  
And the music's so loud it spins him around  
'Til his soul has lost it's way  
And as she turns the volume down  
He's getting smaller with the sound  
It seems to pull him off the ground  
Toward the radio he's bound, never to be found

Well the headline reads that a boy disappeared  
And everyone thinks he died  
'Cept a crazy girl with a secret lover  
Who keeps her satisfied

It's so nice to be insane, no one asks you to explain  
Radio by your side, angie baby

(repeat chorus)
