Lead vocal: dave townsend

If it's getting harder to face every day  
Don't let it show, don't let it show  
Though it's getting harder to take what they say  
Just let it go, just let it go

And if it hurts when they mention my name  
Say you don't know me  
And if it helps when they say i'm to blame  
Say you don't own me

Even if it's taking the easy way out  
Keep it inside of you  
Don't give in  
Don't tell them anything  
Don't let it  
Don't let it show

Even though you know it's the wrong thing to say  
Say you don't care, say you don't care  
Even if you want to believe there's a way  
I won't be there, i won't be there

But if you smile when they mention my name  
They'll never know you  
And if you laugh when they say i'm to blame  
They'll never own you

Even if you feel you've got nothing to hide  
Keep it inside of you  
Don't give in  
Don't tell them anything  
Don't let it  
Don't let it show
