Well I'll be fine, just laying here tonight.  
Thinking about the world. If you do mind,  
Then let me be so I can feel alive again.

For I've been hiding, I've been searching for  
A reason to escape. But I am trying, no I'm lying  
To myself, 'cause I'm a fake. There's no other  
Way to go. Oh I'd rather be alone. 'Cause  
I've been trying. But I'm dying now. So please  
Give me some hope.

Tell me what you meant when you said you  
Missed me. Tell me how you felt when you  
Dared to kiss me. Oh, ah, oh. Oh, ah, oh.  
I'd rather be alone. Tell me what you meant  
When you said you missed me. Tell me how you  
Felt when you dared to kiss me. Oh, ah, oh.  
Oh, ah, oh. I'd rather be alone...

Well dear, I mind. Now that you say you're trying.  
It's only getting worse. So leave my side, I don't  
Need your lies. To write another verse.

For I've been hiding, I've been searching for a reason  
I should stay. But I am trying. No. I'm lying to another  
The same way. There's no other way to go. Oh, I'd  
rather  
Rather be alone. 'Cause I've been trying, but I'm dying  
now.  
I've given up all hope.

Tell me what you meant when you said you  
Missed me. Tell me how you felt when you  
Dared to kiss me. Oh, ah, oh. Oh, ah, oh.  
I'd rather be alone. Tell me what you meant  
When you said you missed me. Tell me how you  
Felt when you dared to kiss me. Oh, ah, oh.  
Oh, ah, oh. I'd rather be alone.

There's no one right here by my side.  
I live a cold and lonely life.

I'd rather be this way, then give my love  
To just anyone.

Tell me what you meant when you said you  
Missed me. Tell me how you felt when you  
Dared to kiss me. Oh, ah, oh. Oh, ah, oh.  
I'd rather be alone. Tell me what you meant  
When you said you missed me. Tell me how you  
Felt when you dared to kiss me. Oh, ah, oh.  
Oh, ah, oh. I'd rather be alone...
