(Lead vocal - Eric Woolfson)

If I cried out loud
all the sorrows I've Known
And the secrets I've heard
It would ease my mind
Someone sharing the load
But I won't breathe a word

We're two of a kind
Silence and I
We need a chance to talk things over
Two of a kind
Silence and I
We'll find a way to work it out

While the children laughed
I was always afraid
of the smile of the clown
So I close my eyes
Till I can't see the light
And I hide from the sound

We're two of a kind
Silence and I
We need a chance to talk things over
Two of a kind
Silence and I
We'll find a way to work it out

I can hear the cry
Of the leaf on a tree
As it falls to the ground
I can hear the call
of an echoing voice
And there's no one around

We're two of a kind
Silence and I
We need a chance to talk things over
Two of a kind

Silence and I
We'll find a way to work it out
