For my own part  
I have never had a thought  
Which I could not set down in words  
With even more distinctness  
Than that which I conceived it  
There is however, a class of fancies  
Of Exquisite delicacy  
Which are not thoughts  
And to which is yet, I have found it  
Absolutely impossible to adapt to language  
These fancies arise in us all  
Alas how rarely  
Only an epics of most intense tranquility  
When the body and mental health are in perfection  
And at those mired points of time  
Where the confines of the waking world  
Blend with the world of dreams  
And so I captured this fancy  
Where all that we see or seem is but  
A Dream Within A Dream  
(Instrumental Interlude)  
Interlude w/ some vocalizations til fades out
