Some are born to lose their heads
And some are born to use them
And some will never know their ends
And some are born to choose them

Don't you let your fantasies
Be blinded by the light
You don't have to save your
Wildest dreams for the night

Don't hold back, don't hold back
Don't hold back, reach out
Touch the sky with your mind's eye
Don't be afraid to reach out

Some you wind and some you lose
And some will bring you sorrow
And some are born to lead the rest
And some are born to follow

Don't rely on miracles
To open any door
And don't your let a shadow
Be your guide anymore

Don't hold back, don't hold back
Don't hold back, reach out
Touch the sky with your mind's eye
Don't be afraid to reach out

Ride the wave of destiny

Rise above the crest
And believe everything that happens
To you happens for the best

Don't allow the world of men
To turn your head no more
'Cause if you can't let yourself go
What are you saving yourself for?

Don't hold back, don't hold back

Don't hold back, reach out
Touch the sky with your mind's eye
Don't be afraid to reach out

Don't you let your fantasies
Be blinded by the light
For you don't have to save your
Wildest dreams for the night

Don't hold back, don't hold back
Don't hold back, reach out
Touch the sky with your mind's eye
Don't be afraid to reach out

Touch the sky with your mind's eye
Don't be afraid to reach out
Touch the sky with your mind's eye
Don't be afraid to reach out
