You don't fool me with your tinted eyes and make-up
The fire bird hides in shadow when you wake up
Your golden hair is black, your jeans are tight but your
hide is slack
Try it on the company but you don't fool me

Well, I'd rather be a man than play my role like you do
I'd rather be a man than sin my soul like you do
I'd rather be a man than slave the way that you do
I'd rather be a man 'cause a man don't crawl like you
do

You don't fool me with your easy lies and fables
You won't see me in ten buck furs and sables
You sparkle like a snake, the wine is real but the glass
if fake
Blame it on the apple tree but you don't fool me

Well, I'd rather be a man than play my role like you do
I'd rather be a man than sin my soul like you do
Well, I'd rather be a man than slave the way that you do
I'd rather be a man 'cause a man don't crawl like you
do

Your golden hair is black, your jeans are tight but your
hide is slack
Try it on the company but you don't fool me

Well, I'd rather be a man than play my role like you do
I'd rather be a man than sin my soul like you do
Well, I'd rather be a man than slave the way that you do
I'd rather be a man 'cause a man don't crawl like you
do

I'd rather be a man 'cause a man don't crawl like you
I'd rather be a man 'cause I wouldn't wanna be like you
