Let's talk about me for a minute
Well how do you think I feel about what's been going
on?
Let's talk about me for a minute
Well how do you think I feel about what's gone wrong?

Let's talk about me...
I've never learned to read the signs
Let's think about what it all means
I never seem to have the time

Let's talk about you and your problems
All that I seem to do is spend the night
Just talking 'bout you and your problems
No matter what I say, I can't get it right

Don't think about me...
Is it all a waste of time?
Don't think about what it all means
If you are a friend of mine

Talk about me.... for a minute
I'm the one who's losing
Talk about me... for a minute
I'm the one who's always losing out...

(Talk about me)
And how do you think I feel about what's been going
on?
Let's talk about me for a minute
(Talk about me)
Well how do you think I feel about what's gone wrong?

Let's think about me...
We never seem to have the time
Let's talk about what it all means
You are a friend of mine

Let's talk about me
I'm the one who's losing out,
I'm the one who's losing out,

I'm the one who's losing out, losing out

Talk about me... for a minute

I'm the one who's losing

Talk about me... for a minute

I'm the one who's always losing out...

Let's talk about me

I'm the one who's losing out,

I'm the one who's losing out,

I'm the one who's losing out, losing out

Talk about me... for a minute

I'm the one who's losing

Talk about me... for a minute

I'm the one who's losing

Talk about me... for a minute

I'm the one who's losing...
