My eyes, with your vision  
My choice, but always your decision  
My play, with your direction  
Well it's my lead, but always your connection

But when I look into your eyes you don't believe me  
I can see it in your eyes you don't believe

My words, your expression  
My land, always your possession  
My song, your production  
My expense, is always your deduction

But when I look into your eyes you don't believe me  
I can see it in your eyes you don't believe

And the face I see before me  
Is both sides of a mirror  
You really know you've got a hold on me  
And the face you're looking into  
Is both sides of a window

And any way you look you see through me

My fame, your reflection  
My weakness, always your protection  
Well it's my terms, on your conditions  
And they're my tunes, but they're your compositions

But when I look into your eyes you don't believe me  
I can see it in your eyes you don't believe

And the face I see before me  
Is both sides of a mirror  
You really know you've got a hold on me  
And the face you're looking into  
Is both sides of a window  
And any way you look you see through me

But when I look into your eyes you don't believe me  
I can see it in your eyes you don't believe  
(repeat)
