We have the chance to turn the pages over
We can write what we want to write
We gotta make ends meet before we get much older

We're all someone's daughter
We're all someone's son
How long can we look at each other down the barrel of
a gun?

You're the voice, try and understand it
Make a noise and make it clear

We're not gonna sit in silence
We're not gonna live with fear

This time we know we all can stand together with the
power to be powerful, believing we can make it better

We're all someone's daughter
We're all someone's son
How long can we look at each other down the barrel of
a gun?

You're the voice, try and understand it
Make a noise and make it clear

We're not gonna sit in silence
We're not gonna live with fear

(Try and understand it) You're the voice, try and
understand it
Make a noise and make it clear

We're not gonna sit in silence
Were not gonna live with fear
