If you have a friend on whom you think you can rely  
You are a lucky man  
If you've found the reason to live on and not to die  
You are a lucky man  
Preachers and poets and scholars don't know it  
Temples and statues and steeples won't show it  
If you've got the secret just try not to blow it  
Stay a lucky man! A lucky man!

If you've found the meaning of the truth in this old  
world  
You are a lucky man  
If knowledge hangs around your neck like pearls  
instead of chains  
You are a lucky man  
Takers and fakers and talkers won't tell you  
Teachers and preachers will just buy and sell you  
When no one can tempt you with heaven or hell  
You'll be a lucky man

Takers and fakers and talkers won't tell you  
Teachers and preachers will just buy and sell you  
When no one can tempt you with heaven or hell  
You'll be a lucky man

You'll be better by far to be just what you are  
You can be what you want if you are what you are  
And that's a lucky man!  
Oh yeah, a lucky man  
And that's a lucky, a lucky, a lucky man  
A lucky, a lucky, a lucky man
