Etre daou Ifern  
N'eus c'hoazh nemet un hent digor  
Etre daou ifern  
N'eus 'met un tu mont 'dreuz un nor

In between two hells  
There is only one open road  
In between two hells  
There's a way to pass thru the door

Douzh un tu 'n ifern  
Gant tud rannet, serret d'ar re all  
lec'h all un niverenn  
Evit tud dizanv ha he'vel  
On one side a hell  
Separate people, close to one another  
On the other side faceless numbers  
To replace human names

Entre deux enfers  
Un seul chemin ouvert  
Entre deux enfers  
Un passage nous est offert

D'un c't? l'enfer  
Des gens ferm's  
De l'autre celui des nombres  
Rempla'ant les noms
