Aet on 'tu all d'ar vuhez  
Da heul ma hent evidon me  
Ganeoc'h tud holl e joman  
Breman ha da viken

Beauty of the things around here  
To you a litle I would offer  
The brightness of the light  
But love you in mind only I can, only can I.

N'ouelit ket n'omp ket disrann  
Emaon e C'Hwezh an Hollved  
Heb aon na poan a-gevret  
Bepred e vimp unvan

Beauty of the things around here  
To you a Little I would offer  
The brightness of the light  
But love you in mind only I can, only can I

Kaer, kaer an trao? dre aman  
Deoc'h un tamm dioute 'ginnigfen  
Sklaer, sklaer ar goulo? dre-man  
Nemet ho karout e c'hellan

Parti-e- de l'autre c?t? de la vie  
Suivre la voie qui m'est impartie  
Avec vous je reste  
Maintenant et ? jamais

Ne pleurez pas, nous ne sommes pas s?par?s  
Je suis dans le souffle de l'univers  
Ni peur, ni peine, ensemble  
Toujours nous serons un

Beaut? d'ici haut  
A vous je donnerais  
Sa luminescence  
Mais je ne peux que vous aimer

I've gone to life's other side  
Folowing my own end

With you all I stay  
Now and always

Don't weep, we are not cleft  
Find me within the Universe's breath  
No feor, no pain, together  
United we 'll be forever
