Nous sommes tous "coude ? coude",  
Tous en haut tous en bas  
Peurs et orgueils partag?s

D'Irlande courage jour apr?s jour  
Airs de temps guerriers ou chant apais?s sont bons au  
coeur  
D'Irlande le courage jour apr?s jour  
Et nous ferons le devoir : du monde garder l'h?ritage  
Et les vents d'Ecosse par ici chantent haut,  
Et donnent espoir et joie, ? pr?sente au pays pareil  
Et les vents de Galles soufflent long et fort  
Ils colorent le r?ve bient?t r?el

Un monde uniforme  
Ou en mille morceaux  
Entre les deux on peut vivre  
Diff?rents et m?tis.

Our feet tread down the same ground  
Each of us lofty and weak  
Sharing pride and fear,

Ireland always sends strength to heart  
By songs of battle or peaceful tunes  
Ireland always sends strength to heart  
And we 'll do our duty : protecting the heritage,  
And the winds of Scotland sing strong in our skies  
Giving hope and joy to our kinly nation  
And the winds of Wales blow long and loud  
Colouring the dream into reality,

A uniform world  
Or in a million pieces  
Somewhere in between we can still live.
