We want to see the Falcons fly
The hunt is on; its do or die (x2)

Verse 1

From Buckhead to Virginia Highlands they are abuzz
Cabbage town to Little Five, it's what they
talking of
Say the birds gonna bring it, they bringing the heat
Atlanta's got it right; we're the
ones to beat

Showing us whose best/better than the rest
Falcons are taking the field/ the hunt is on
Showing us whose best/showing all the rest
Wearing the red, black and white/ the hunt is on

We want you blockin' & scrambling,
running & jumping
Putting it down right underneath the Dome
We want you Kicking & punting it, throwing and tackling
Sweating so the fans keep coming home

Chorus

We want to see the Falcons fly
The hunt is on; its do or die
We came to see the falcons fly
The hunt is on/its do or die

Verse 2

Falcons gonna bring it hard/like gladiator
action
Atlanta fans are feeling like excitements back in
fashion
Roll it out and return/while the others crash and burn
Teaching them all what they forgot to learn

Showing us whose best/better than the rest
Falcons are taking the field/ the hunt is on
Showing us whose best/showing all the rest
Wearing the red, black and white/ the hunt is on

We want you blockin' & scrambling,

running & jumping
Putting it down right underneath the Dome
We want you Kicking & punting it, throwing and tackling
Sweating so the fans keep coming home

Chorus (x3)
