Hey everybody let's top all the charts  
'cause here's your disco-suppa-girl

Put your hands in the air  
One, two, three... drop it!

I think it's goin' around  
Be ready for a go-go way  
On the waves in the air at night  
I'm a rider on a disco-train

Shake it, shake it, everybody  
Shake it, shake it, tonight  
Shake it, shake it, shake it, are you ready?  
This girl's gonna take you high

I wanna be your disco-suppa-girl, baby  
Yeah yeah yeah  
Let me be your number 1 suppa star honey  
Common and dance now

Boogie woogie boogie woogie  
boogie woogie baby

Hey now, hey now, everybody

I'll show you how to do it right  
Take a ride like a number one  
You're welcome at the boogie night

Shake it, shake it, are you ready?

Shake it, shake it, wowowow  
Shake it, shake it, everybody  
This girl's gonna take you high

I wanna be your disco-suppa-girl, baby  
Let me be your number 1 suppa star, honey  
Common and dance now

Common and dance now

Shake it, shake it, are you ready?  
Shake it, shake it, wowowow  
Shake it, shake it, shake it everybody  
Yeah yeah yeah

I wanna be your disco-suppa-girl, baby  
Let me be your number 1 suppa star honey  
Common and dance now

Disco-suppa-girl

I wanna be your Disco-suppa-girl  
Wowowowow Disco-suppa-girl  
You're welcome at the boogie-night  
Let's boogie woogie all night long  
Disco-suppa-night  
Wowowowow

I think it's goin' around!
