After a year like this one  
I'm surprised I did not hate your guts  
And after a year like this one  
I'm surprised I still love music just as much  
After a year like this one  
I'm surprised I did not eat my own nail  
After a year like this one  
I'm sorry if I'm not according to everyone  
Chorus:  
La la la la la la la la la lee...After a year like this one  
I'm surprised I'm convinced at all  
And after a year like this one  
I do not roll my eyes in disgust when they call me  
After a year like this one  
I can't help but wonder how they've been

And after a year like this one  
I think I'll lease it all to my next of kin  
Repeat chorus  
After a year like this one  
I'm surprised we're not all leaving drunks  
And after a year like this one  
I want you to choose the restraint  
And after a year like this one  
I'll need a good whole sixteen months alone  
After a year like this one  
I think I'll make the west coast beaches my new home  
Repeat chorus
