I have tasted stardom since before I breathed
My young and hungry daddy murdered for me
And I have never left this ambitious city
And I've only known a lust for VIP

I have studied long and hard how to proceed
Nothing but my name in bright lights called to me
And I display the perfect amount of en oui
I'll carve my face a bit, you'll indulge me

Give me celebrity my kingdom to be famous
Tell me who I have to be
Starting to be famous

Never wonder who's pulling strings above me
Cause I'm aware of wheels, heels, and vintage Gucci
I'm on my twentieth round of vitamin v
And I'll cut my weight until you'll have me

Give me celebrity my kingdom to be famous
Tell me who I have to be
Starting to be famous

Let me into this exclusive club
Ignore my hidden agenda

I am a tattooed sexy dancing monkey
Just aloof enough to get you to want me
Hoping my persona ingratiates me
Give my life over to opportunity

Give me celebrity my kingdom to be famous
Tell me who I have to be
Starting to be famous
