I'm not threatened, by every pair of legs you watch go
by
I don't cringe when you stare at women, it's just a thing
called guy
I don't notice your side ways glances or where your
loyalty lies
I'm secure and out of me, it's hard to get a rise

I'm not jealous
I don't get moved by much
I'm not enraged
Not insecure as such
Not going insane
Rational stays in touch
Doth I protest too much?

I'm not tortured by how oft your busy, Cause I've got
things to do
I'm not disappointed about how you don't miss you me,
cause I don't need you to

I'm not needy
I don't get clingy much
I'm not scared
I'm not afraid as such
I'm not dependent
Rock solid, stays in touch

And Doth I protest too much?

So much energy to prove to you
Who I can't possibly be
So much energy to prove to you
I'm not who you hate for me to be

I'm not saddened
And I don't miss you
Cause I have moved on too
I'm not concerned about your new lover
Cause I have a new lover too

I'm not depressed

I don't get down that much
I'm not despondent
I am not dark as such
I'm never sad
Keep Chin Up, Stays in touch
And Doth I protest too much?

I'm not jealous
I don't get moved by much
I'm not enraged
Not insecure as such
Not going insane
Rational stays in touch
And Doth I protest too much?
