Eight easy steps
Eight easy steps

How to stay paralyzed by fear of abandonment
How to defer to men in solvable predicaments
How to control someone to be a carbon copy of you
How to have that not work and have them run away
from you

How to keep people at arm's length and never get too
close
How to mistrust the ones you supposedly love the most
How to pretend you're fine and don't need help from
anyone
How to feel worthless unless you're serving or helping
someone

I'll teach you all this in eight easy steps
A course of a lifetime you'll never forget
I'll show you how to in eight easy steps
I'll show you how leadership looks when taught by the
best

How to hate women when you're supposed to be a
feminist
How to play all pious when you're really a hypocrite
How to hate God when you're a prayer and a spiritualist
How to sabotage your fantasies by fears of success

How to lie to yourself and thereby to everyone else
How to keep smiling when you're thinking of killing
yourself

How to numb a la holic to avoid going within
How to stay stuck in blue by blaming them for
everything

I'll teach you all this in eight easy steps
A course of a lifetime you'll never forget
I'll show you how to in eight easy steps
I'll show you how leadership looks when taught by the
best
