What did you think I'd be doing now
While you left me
I was thinking aloud
Would there be no end to my sorrow
Will I make it through tomorrow
Fate Stay With Me

Chorus:

Oh, Please
Fate Stay with me, and guide me along my way
There has been so many problems
So please stay, please, stay
Fate stay with me, will you help me on my way

Will you end my troubles
Will you please stay, please...
I wanted money and hope and
A dream to carry me forever

This is all the hope I got left
Help me to get it together, now
I can sing or act or dance but I still won't get far

Unless you help me please to be a big star

Repeat chorus

I don't want to be a queen, no,
Or a princess with all my jewels, oh
If you could guide me
And you could help me
but don't go too far, I just want to be a star

Repeat chorus

Yes guide me
Forver guide me
Will you stay with me and guide me along the way
If I succeed because of you, fate my friend
I'll be so happy

Repeat chorus
