

Alanis Morissette "Fear Of Bliss"

My misery has enjoyed company
And although I have ached, I don't threaten anybody
Sometimes I feel more bigness than I've shared with
you
Sometimes I wonder why I quell when I'm not required
to

I've tried to be small, I've tried to be stunted
I've tried roadblocks and all my happy endings
prevented
Sometimes I feel it's all just too big to be true
I sabotage myself for fear of what my bigness could do

Fear of bliss and fear of joyitude
Fear of bigness and ensuing solitude

I could be golden, I could be glowing
I could be freedom but that could be boring
Sometimes I feel this is too scary to be true
I sabotage myself for fear of losing you

Fear of bliss and fear of joyitude

Fear of bigness and ensuing solitude

This talk of liberation makes me want to go lie down
Under the covers till the terror of the unknown is gone,
gone

I could be full, I could be thriving
I could be shining sounds isolating
Sometimes I feel this is too good to be true
I sabotage myself for fear of what my joy could do

Fear of bliss and fear of joyitude
Fear of bigness and ensuing solitude
Fear of bliss and fear of joyitude
Fear of bigness and ensuing solitude

I've tried to be small, I've tried to be stunted
I've tried roadblocks and all my happy endings are
prevented

Sometimes I feel this is too good to be true
I sabotage myself for fear of what my joy could do
