(I know he's blood but you can still turn him away
You don't owe him anything)
Do you go to the dungeon
To find out how to make peace with your days in the
dungeon
Writing a letter to you
Didn't make me feel any more peaceful than how I felt
when we weren't
Speaking
Because I didn't cop to what I did.
I can't love you because we're supposed to have
professional
Boundaries.
I'd like you to be schooled and in awe as though you
were kissed by
God full on the lips.
I'm in the front row the front row with popcorn
I get to see you see you close up
[Background]
(I'm too tired to recount the unpleasantries one by one
One minute I want to banish you
The next I want to be on a deserted island with you with
my three
Favorite cd's
Ambivalent in your bed we've yet to acknowledge what
really happened)
Slid into the ditch I have this overwhelming loss of
ambition
We said let's name thirty good reasons why we
shouldn't be together
I started by saying things like "you smoke" "you live in
new jersey
(too far)"
You started saying things like "you belong to the world"
All of which could have been easily refuted
But the conversation was hypothetical
I am totally short of breath for you
Why can't you shut your stuff off...
I'm in the front row the front row with popcorn
I get to see you see you close up
[Background]
And I laughed until my lungs hurt

I love how you bust my chops
You don't always feel seen
Sometimes you feel erasable unfortunately I cannot
reciprocate in my
Current state
I think we should be careful of how much time we
spend together
.....for a while while i'm speaking
You know how much you hate to be interrupted maybe
spend some time
Alone
Fill up your proverbial cup so that it doesn't always
about you
I've been wanting your undivided attention I like the
fact that you're
Nothing like me
Are you not burdened by the lack of perspective people
have of your
Charmed life (seemingly)?
I'm in the front row the front row with popcorn
I get to see you see you close up
[Background]
You never meant to be ungrateful
Nor held up to be whipped or wept
For certainly not analysed
Prodded at more ways than one apparently you've
been misrepresented
Dealing with the concept of arrows being slung towards
your outrageous
Fortune
Hey I'm not mad at you guardian
I'm mad at myself for spending so much time with you
and your jeckyl
And hydeness
I'm glad i firguratively slapped you on the wrist
You laughed a wicked laugh and said "come here let
me clip your
Wings!"
(I know he's blood but you can still turn him away you
don't own him
Anything)
"raise the roof he yelled "yeah raise the roof!" I yelled
back.
(Unfortunately you needed a health scare to
reprioritize.)
No thanks to the soap box
Having my rile against them won't make an ounce of
difference...
I'm in the front row the front row with popcorn
I get to see you see you close up
[Background]

Oh the things I've done for you
Many a sitch a friend a man's been left for you
Oh the books i've read for you
The tongues i've bitten for you many a new city for you
For you many a risk taken for you (not a single regret)
