You've got to give it all to baby  
You know I want it all for me  
I wanna get to know you baby  
Is that a possibility

Hey, you're my man, I'm your woman  
And I'm not too proud to tell you  
What you do to my head  
I'm not kiddin'

You've got everythin'  
That any girl would want, yes you do  
You're just wishin'  
Well it's time you know the truth and that is

When you are beggin' me for money  
Just got to tell me what you need  
But if you want my lovin' buddy  
You've got to get down on your knees

You've got to give what you got  
And take what I'm givin' you baby  
You've got to want what you see  
And see what I'm givin' away

Hey, stick with me, I'm your momma  
And you can run to momma  
Every time you skin your knee  
No one ever  
Could ever take your place  
The way you move makes me hot

Let me tell you  
You won't be satisfied without me  
You've got to give it all to baby  
You know I want it all for me  
I wanna get to know you baby  
Is that a possibility

You've got to give what you got  
And take what I'm givin' you baby  
You've got to want what you see

And see what I'm givin' away
