Dear dar(lin') your mom (my friend) left a message on  
my machine she

Was

Frantic

Saying you were talking crazy that you wanted to do  
away with yourself

I guess she thought I'd be a perfect resort because  
we've had this

Inexplicable connection since our youth and

Yes they're in shock they are panicked you and your  
chronic them and

Their

Drama

You this embarrassment us in the middle of this  
delusion

If we were our bodied

If we were our futured

If we were our defenses I'd be joining you

If we were our culture

If we were our leaders

If we were our denials I'd be joining you

I remember vividly a day years ago we were camping  
you knew more then

You

Thought you should know

You said "I don't want ever to be brainwashed" and you  
were

Mindboggling you

Were intense

You were uncomfortable in your own skin you were  
thirsty but mostly

You were

Beautiful

If we were our nametags

If we were our rejections

If we were our outcomes I'd be joining you

If we were our indignities

If we were our successes

If we were our emotions I'd be joining you

You and I we're like 4 year olds we want to know why  
and how come

About

Everything  
We want to reveal ourselves at will and speak our  
minds we never talk  
Small  
And be intuitive  
And question mightily and find god my tortured  
beacon  
If we were their condemnations  
If we were their projections  
If we were our paranoias I'd be joining you  
If we were our incomes  
If we were our obsessions  
If we were our afflictions I'd be joining you  
We need reflection we need a really good memory feel  
free to call me a  
Little  
More often
