We Have Suffered
Are Souls in the
Garden of Beauty,
Digging graves
Instead of Spreading
Mercy Across the Land
A Bitter Justice Begging
Eternity for Love, were
Nothing without Love if
There's No Mercy for what
We Do, Were Nothing without
Forgiveness if that's' so Hard
For you, And I Am Nothing without
Love if there's No Mercy for What I
Do, wisdom Lights up Lifes' road And
I Know you Better then they Do, Wisdom
Brings'Are Love Right Back to where it
Started from, And in Gods' eyes' Hatred
Is Just No fun, Were Nothing Without Love
If there's' No Mercy for What we Do, were
Nothing Without forgiveness if that's' So
Hard for you to Do, And I Am Nothing Without
Love if there's' No Mercy for what I Do, No
Mercy for what I Do, please Have Mercy on
Are Love,
