I drive these brothers crazy  
I do it on the daily  
They treat me really nicely  
They buy me all these ices  
Dolce and Gabbana  
Fendi and the Donna  
Karan they be sharin'  
All their money got me wearing fly  
My love my love my love my love  
You love my lady lumps  
My hump my hump my hump  
My humps they got you  
Whatcha gonna do with all that junk  
All that junk inside you're trunk  
I'ma get get get get you drunk  
Get you love drunk off my hump  
Whatcha gonna do with all that ass  
All that ass inside them jeans  
I'm gonna make make make make you scream  
Make you scream make you scream  
They say I'm really sexy

The boys they wanna sex me

They always standin next to me

Always dancin next to me

Tryna feel my hump, hump

Lookin' at my lump, lump

You can look but you can't touch it

If you touch it

I'ma start some drama

And you don't want no drama

No no drama no no no drama

My hump my hump my hump my hump my hump my  
hump

My hump, my lovely lady lumps

My lovely lady lumps

She's got me spending

Spending all your money on me, and spending time on  
me

She's got me spending

Spending all your money on me, upon me, uh on me

Whatcha gonna do with all that junk

All that junk inside that trunk

I'ma get get get get you drunk

Get you love drunk off this hump

Whatcha gonna do with all that breast

All that breast inside that shirt

I'ma make make make make you work

Make you work work make you work
