"No Apologies"

Whenever we talk about sun all I see is the rain
It's like looking for tears in a ocean
I'm hearing your words like the wind
They blow straight through my heart
Will you ever give into emotion?

And we hurt the ones that we love the most
Why we do only heaven knows
And I don't know why I'm still holding on, holding on

I reach in my heart to see
If your love is alive in me
But now I feel alone
My feelings turn to stone
My heart makes no apologies

When an apology's made it isn't always enough
To erase all the past in a moment
Whenever I need you the most
You always leave me behind
With a word from your lips I'm alone

You've been blind not to realize
All the love that I hold inside
So tell me why do I keep holding on, holding on?

I reach in my heart to see
If your love is alive in me
But now I feel alone
My feelings turn to stone
My heart makes no apologies

I reach in my heart to see
If your love is alive in me
But now I feel alone
My feelings turn to stone
My heart makes no apologies

And we hurt the ones that we love the most
Why we do only heaven knows?
And I don't know why I'm still holding on, holding on

What I need is your sympathy
Like a light flowing into me
Will I ever give up holding on, holding on?

I reach in my heart to see
If your love is alive in me
But now I feel alone
My feelings turn to stone
My heart makes no apologies
