Who
Who am I to be blue
Look at my family and fortune
Look at my friends and my house
Who
Who am i to feel deadend
Who am i to feel spent
Look at my health and my money
And where
Where do i go to feel good
Why do i still look outside me
When clearly i've seen it won't work
Is it my calling to keep on when i'm unable
And is it my job to be selfless extraodinaire
And my generosity has me disabled
By this my sense of duty to offer
And why
Why do i feel so ungrateful
Me who is far beyond survival

Me who see life as an oyster
Is it my calling to keep on when i'm unable
And is it my job to be selfless extraodinaire
And my generosity has me disabled
By this my sense of duty to offer
And how
How dare i rest on my laurels
How dare i ignore an outstreched hand
How dare i ignore a third world country
Is it my calling to keep on when i'm unable
And is it my job to be selfless extraodinaire
And my generosity has me disabled
By this my sense of duty to offer
Who
Who am i to be woo
