Infatuation

?Court well meant

?Cause I'm the easiest to sway

?Catch my fancy and commitment?

Riding fresh kinesthaith (?)

One by one conditions change?

Slippery slope yields shekled face and

?Gone are the days of snare and dwell?

An admission to sexy hell??

I don my crown?

And moniker claim as

Professional torturer

??as me, a cop, I

?I renounce my name?

Professional torturer

Eyebrows raise and facades do fade

Poised refrained as procure need

Hands still hold but gazes abate

This masochist unfolds me

I don my crown?

And moniker claim as

Professional torturer

??as me, a cop, I

?I renounce my name?

Professional torturer

I don my crown?

And moniker claim as

Professional torturer

For you, my boy,

I renounce my name

Professional torturer
