

## Alanis Morissette "Receive"

Visit "[Receive](#)" on [MotoLyrics.com](https://MotoLyrics.com)

I wake up and first things first  
I'm of service

I make sure your needs are met, I'm so selfless  
I give hard and serve hard and now I, I need a break  
I give in, I give all and now it's time to degenerate

Chorus:

Today's all about me, all about how I'm feeling  
Today's all about me learning how, how to receive  
How to receive,  
Oh, oh, oh, oh, oh

I move on through offerings, I found exciting  
In this slow on list of words of understanding  
I give hard, á<sup>1</sup>—rovide hard and now I need some relief  
I look out, I prefer and now I need some respect and teed (?)

Chorus

My habit to love you first, in me it lingers  
To renew it's only a joke, leaves me a stranger  
I give hard and fight hard and now I need to retreat  
I give out, dedicate and now I need to acknowledge me

Chorus
