Oh these little rejections, how they add up quickly  
One small sideways look and I feel so ungood and  
Somewhere along the way I think I gave you the power  
to make  
Me feel the way I thought only my Father could

Oh these little rejections, how they seem so real to me  
One forgotten birthday, I'm all but cooked and  
How these little abandonments seem to sting so easily  
I'm 13 again, am I 13 for good?

I can feel so unsexy for someone so beautiful  
So unloved and for someone so fine  
I can feel so boring for someone so interesting  
So ignorant for someone of sound mind

Oh these little protections, how they fail to serve me  
One forgotten phone call and I'm deflated and  
Oh these little defenses, how they fail to comfort me  
Your hand pulling away and I'm devastated

I can feel so unsexy for someone so beautiful  
So unloved and for someone so fine  
I can feel so boring for someone so interesting  
So ignorant for someone of sound mind

When will I stop leaving baby?  
When will I stop deserving baby?  
When will I start staying with myself?

Oh these little projections, how they keep springing  
from me  
I jump my ship as I take it personally and  
Oh these little rejections how they disappear quickly  
The moment I decide not to abandon me

I can feel so unsexy for someone so beautiful  
So unloved and for someone so fine  
I can feel so boring for someone so interesting  
So ignorant for someone of sound mind

I can feel so unsexy for someone so beautiful

So unloved and for someone so fine  
I can feel so boring for someone so interesting  
So ignorant for someone of sound mind
