Standing there on a road that leads to anywhere
Like a child left in the wilderness, standing there
penniless
Wanting to be the best

Here's a place where life runs at a different pace
Where love is just convenient, none are obedient
And we are subservient

Look at me, I'm a girl that some may preconceive
Why do they try and generalize? Why are they
antagonizing me?
But something I can't control

That I wantcha
You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya
I'm not the kind of girl that you thought I was
You'll have a good time

'Cause I wantcha
I'm breaking down the walls 'till I have you, feel you
Show you the time of your life

Here and I wonder how we've come this far
In a world that does not recognize
Women are victimized
What does that symbolize?

Why do I want the things I usually criticize?
It may be self destructiveness
Or maybe it's emptiness inside
But something I can't control

That I wantcha
You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya
I'm not the kind of girl that you thought I was
You'll have a good time

'Cause I wantcha
I'm breaking down the walls

'Til I have you, feel you
You'll have a good time

It's a lonely road and no one knows the way that I feel
I'm not giving up now
I'll never try to justify, they'll never understand
You'll be a happy man
You'll have the time of your life

It's something, it's something
It's something that I can't control

You know I'll never stop 'til I've gotcha
You'll never be quite the same when I rock ya
I'm not the kind of girl that you thought I was
You'll have a good time

'Cause I wantcha
I'm breaking down the walls
'Til I have you, feel you
Show you the time of your life

The time of your life
The time of your life
I'll show you the time of your life
I'll let you have the time of your life

The time of your life
I'll let you have the time of your life
