Dear Matthew  
I like you a lot  
I realize you're in a relationship with someone right now  
and I  
Respect that  
I would like you to know that if you're ever single in the  
future  
And want to come visit me in California I would be open  
to spending  
Time with you  
And finding out how old you were when you wrote your  
first song  
Dear Jonathan  
I liked you too much  
I used to be attracted to boys who would lie to me and  
think solely  
About themselves  
And you were plenty self-destructive for my taste at the  
time  
I used to say the more tragic the better the truth is  
whenever I think  
Of the early 90's  
You face comes up with a vengeance like it was  
yesterday  
Dear Terrance  
I love you muchly  
You've been nothing but open hearted and emotionally  
available and  
Supportive  
And  
Nurturing and consummately there for me I kept  
drawing you in and  
Pushing you  
Away  
I remember how beautiful it was to fall asleep on your  
couch and cry  
In front  
Of you for the first time  
You were the best platform from which to jump beyond  
myself what was  
Wrong with  
Me

Dear Marcus  
You rocked my world  
You had a charismatic way about you with the women  
and  
You got me seriously thinking about spirituality and you  
wouldn't let  
Me get  
Away with kicking me own ass  
But I would never really feel relaxed and looked out for  
around you  
Though  
And that stopped us from going any further than we  
did  
And it's kinda too bad because we could've had much  
more fun  
Dear Lou  
We learned so much  
I realize we won't be able to talk for some time and I  
understand that  
As I do  
You  
The long distance thing was the hardest and we did as  
well as we could  
We were together during a very tumultuous time in our  
lives  
I will always have your back and be curious about you  
about your  
Career your  
Whereabouts
