We'd gather around  
All in a room  
Fasten our belts  
Engage in dialog

We'd all slow down  
Rest without guilt  
Not lie without fear  
Disagree sans judgment

We would stay and respond and expand and include  
And allow and forgive and enjoy and evolve and  
discern  
And inquire and accept and admit  
And divulge and open and reach out and speak up

This is utopia  
This is my utopia  
This is my ideal  
My end in sight

Utopia  
This is my utopia  
This is my nirvana  
My ultimate

We'd open our arms  
We'd all jump in  
We'd all coast down  
Into safety nets

We would share and listen and support and welcome  
Be propelled by passion, not invest in outcomes  
We would breathe and be charmed and amused by  
difference  
Be gentle and make room for every emotion

This is utopia  
This is my utopia  
This is my ideal  
My end in sight

Utopia  
This is my utopia  
This is my nirvana  
My ultimate

We'd provide forums  
We'd all speak out  
We'd all be heard  
We'd all feel seen

We'd rise post-obstacle, more defined, more grateful  
We would heal, be humbled, and be unstoppable  
We'd hold close and let go and know when to do which  
We'd release and disarm and stand up and feel safe

This is utopia  
This is my utopia  
This is my ideal  
My end in sight

Utopia  
This is my utopia  
This is my nirvana  
My ultimate
