Ooh yeah
Yeah baby
Ooh

I recommend gettin' your heart trampled on to anyone
(Yeah yea)
I recommend walkin' around naked in your livin' room
(Yeah)
Swallow it down
(What a jagged a little pill?)
It feels so good
(Swimmin' in your stomach)
Wait until the dust settles

You live you learn
You love you learn
You cry you learn
You lose you learn
You bleed you learn
You scream you learn
(Aaa yea ooh)

I recommend bitin' off more than you can chew to
anyone
I certainly do, do
I recommend stickin' your foot in your mouth at
anytime
Feel free
Throw it down
(The caution from the wind)
Hold it up
(To the rays)
You wait and see when the smoke clears

You live you learn
You love you learn
You cry you learn
You lose you learn
You bleed you learn
You scream you learn
Yeah

Hey
(Yaya)
Hey yea
(Yaya)
Yaya hey
(Yaya)
Yaya hey hey
(Yaya)

Wear it out
(The way a three year old would do)
Melt it down
(You're gonna have to eventually anyway)
The fire trucks are comin' up around the bend

You live you learn
You love you learn
You cry you learn
You lose you learn
You bleed you learn
You scream you learn
Hey hey hey hey

You grieve you learn
You choke you learn
You laugh you learn
You choose you learn
You pray you learn
You ask you learn
You live you learn
