Under the anvil of the sun  
Sweat, like a train  
I come, I come,  
My body to dust  
Scorched by the might of the sun

Burning light, burning white heat  
Like wildfire  
I sweat a fever  
My body screams  
Disintegrates in the heat

Our love is the FAITH that keeps on burning

I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face  
I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face

Burnt at the stake, on a bed of fire  
My body rises  
Taking me higher  
My loves desire  
Is pure ascension fire

And love is the FAITH that keeps on burning

I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face  
I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face

And then I run 'til the breath tears my throat  
'Til the pain hits my side  
As if I run fast enough  
I can leave all the pain and the sadness behind

I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face  
I love to feel the RAIN IN THE SUMMERTIME  
I love to feel the rain on my face  
(I love to feel the rain on my face)

(In the summertime)
