Well take a look and listen to the things that I have said  
Well could I really tell the truth with a rifle at my head  
Yeah, I gunned down a president  
Yeah I have done a crime  
But now you've got to listen 'cos I'm running out of time

But it's not me that you're after it's not me that's gonna  
pay  
But it's not me that is guilty  
That's a man with the C.I.A.

Well I got put in jail because I got into a fight  
And while I was in prison I got beat up every night  
Yeah, torture it was blackmail I was messed up with  
cocaine  
And then they had me thinking I knew just who to blame

But it's not me that you're after it's not me that's gonna  
pay  
But it's not me that is guilty  
That's a man with the C.I.A.

(It wasn't me)  
(It wasn't me)

But it's not me that you're after it's not me that's gonna  
pay  
But it's not me that is guilty  
That's a man at the C.I.A.

Well there I stood before him a revolver in my hand  
With one shot for the torture and a bullet for the man  
So now I'm UP FOR MURDER on a charge I can't deny  
There ain't no clues I'm bom to lose and no ones gonna  
ask me why

But it's not me that you're after it's not me that's gonna  
pay  
But it's not me that is guilty  
That's a man with the C.I.A.

But it's not me that you're after it's not me that's gonna

pay  
But it's not me that is guilty  
That's a man with the C.I.A.

C.I.A.  
C.I.A.  
The C.I.A.
