Girl, you are to me, all that a woman should be,
And I dedicate my life to you always.
A love like yours is rare,
It must have been sent from up above
And I know you'll stay this way, for always

And we both know, that our love will grow
And forever it will be you and me
Ooh you're like the sun,
Chasing all of the rain away,
When you come around you bring a brighter day
You're the perfect one
For me and you forever will be
And I will love you so for always

Come with me my sweet,
Let's go make a family,
And they will bring us joy, for always

Oh boy I love your so,
I can't find enough ways to let you know
But you can be sure I'm yours, for always

And we both know, that our love will grow
And forever it will be you and me
Ooh you're like the sun,
Chasing all of the rain away,
When you come around you bring a brighter day
You're the perfect one
For me and you forever will be
And I will love you so for always

Ooooooh, I will love you so for always
