I don't know what was said, my baby
I thought that everything was fine
You say you got to get away
To find yourself, mmmm
Now lady, can't you tell
It's written all over my face
My days and nights would be a living hell
If you go away
So think about the misery
That you're gonna put me through, ooooooh
CHORUS
Goodbye, Doesn't mean a thing with you and I
Our love has stood through the test of time (Yes it has)
If you're planning to leave me behind, oh
Let me put one more thing on your mind
If you ever need my baby, send for me
I'm just a telephone call away, send for me
Put a message in a bottle baby baby, send for me
Mmmm, Ooooooo
See you're my everything, sweet baby
My whole world revolves around you
Nothing is what I am,
Without you here in my life
CHORUS 2x
Send for me
Send for me
Send for me
