We have seen Your star rising in the East  
We have watched that star crest over the horizon  
We have waited for You to come... Emmanuel

We have heard the songs the angels have been  
singing  
We have seen the gifts the wise have been bringing  
We have wanted to join their song... Emmanuel

CHORUS:  
And we are not alone anymore,  
God's with us,  
We are not alone...  
Emmanuel,  
God with us

We've been shaken from our sleep to hear of great joy  
We have followed the shepherds to find You  
We've discovered a baby boy... Emmanuel

We have felt the hope in the air that You are breathing  
We have seen the peace on Your face while You've  
been sleeping  
We have wanted a pice of that hope... Emmanuel

CHORUS
