What cut straight through my blinds was
Light, light to live by
Open my eyes, and my oh my
This day is gonna be good
Not gonna fuss about fashion
Not fret about time
Open my door, and thank the Lord
This day is gonna be good

Life has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
Life has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

Tan faces, pick-up trucks
Smiles break free and our eyes light up
Climb on in and sit on back
This ride is gonna be good
Who knows what this day holds
Barefeet or sandals?
I vow to live it, minute by minute
This life is gonna be good

God has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
God has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

What cut straight through my blinds was
Light, light to live by

Open my eyes, and my oh my
This day is gonna be good
Not gonna fuss about fashion
Not fret about time
Open my door, and thank the Lord
This day is gonna be good

Life has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
Life has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

Verse 2:

Tan faces, pick-up trucks
Smiles break free and our eyes light up
Climb on in and sit on back
This ride is gonna be good
Who knows what this day holds
Barefeet or sandals?
I vow to live it, minute by minute
This life is gonna be good

God has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
God has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

BRIDGE:

Hey friend, laugh away
Yesterday while today's today
Hold on to beauty in everything
Share all that's good

Love has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
Love has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

What cuts straight through my world is God who is love

and good...
Hey friend, laugh away
Yesterday while today's today
Hold on to beauty in everything
Share all that's good

Love has smiled on me
Mornin' sings to me
Happy trails are callin'
Callin' my name out loud
Love has smiled on me
Mornin' sings to me
Happy trails are callin'
Hey, yeah...

What cuts straight through my world is God who is love
and good...
