Look who's talking now  
Look who's talking now  
Look who's talking now  
Look who's talking now

Me know a pop star, we call him Mr X  
He has a very, very complex attitude  
He said some nasty things about I and I  
He even said some nasty things about everyone  
Me no like the way him chat, I say  
Me no like the way him go  
That's why me said to him:  
Look who is talking

Look who's talking now  
Look who's talking now  
Look who's talking now  
Look who's talking now  
Look who is talking  
Look who is talking  
Look who is talking  
Look who is talking

Come to mor and he said that he's the best  
He is very critical and complaining all the time  
Everyone is wrong, he's the one that is right  
This striking pop star would not even give up  
He's an opportunist with one hit song  
That's why me said to him:  
Look who is talking

Look who's talking now  
Look who's talking now  
Look who's talking now  
Look who's talking now  
Look who is talking  
Look who is talking  
Look who is talking  
Look who is talking

Look who's talking now  
Look who's talking now

Look who's talking now  
Look who's talking now  
Look who is talking  
Look who is talking  
Look who is talking  
Look who is talking
