My love, there's only you in my life
The only thing that's bright
My first love, you're every breath that I take
You're every step I make

And I, I want to share
All my love with you
No-one else will do
And your eyes, your eyes, your eyes
They tell me how much you care
Oh yes, you will always be
My endless love

Two hearts, two hearts that beat as one
Our lives have just begun
Forever Iâ€™ll hold you close in my arms
I can't resist your charms

And love, Iâ€™ll be a fool for you
Iâ€™m sure you know I don't mind
Oh, you know I don't mind
Cos you, you mean the world to me
Oh I know, Iâ€™ve found in you
My endless love

Oh and love, Iâ€™ll be that fool for you
Iâ€™m sure you know I don't mind
Oh you know I don't mind
And yes you'll be the only one
Cos no-one can deny
This love I have inside
And Iâ€™ll give it all to you
My love, my endless love
