Na na na nana nana na x2

Take a look at me and tell what you see written on my face  
Then place your fingers on my heart  
I hope you see a man that can understand anything you wanna do  
Then we may never part

Ow, you're a part of me, all that I can see is you, baby love  
When I'm dreaming at night  
I really wanna be the energy that makes you wanna stay  
Stay right here with me

Woh oh oh, I'm in love with you  
All I wanna do is be there by your side  
I wanna follow you wherever you go  
Hey! Hey! It gets deeper everyday  
I love you more than you'll ever know

All you gotta do is give me one of those looks that only you can give  
For me to totally be under your spell  
Woh oh oh, I wouldn't lie to you, girl you take to the moon and back again  
Coz when you love me you do it well

Oh you're my everything, you really bring joy to my life  
Please don't ever go away  
Lover boy, you're like the favourite toy a girl could ever have  
I want you for keeps, please baby stayeeay

Hoh oh oh, I'm in love with you  
All I wanna do is be there by your side  
I wanna follow you wherever you go (wherever you go oh)  
Hey! Hey! It gets deeper everyday  
I love you more than you'll ever know

Oh oh woo oh, hey hey hey, ummm ummm

Na na na nana nana na na, naaaa  
Na na na nana nana na ohh

(Whispered) I wanna follow you wherever you go,  
I wanna be wherever you are  
Hey, hey. It gets deeper everyday

Oooo baby, oh baby. I wanna be witchu,  
I wanna go witchu  
I wanna be where ever you are  
Hey, hey, hey it gets deeper everyday  
I love you more than you'll ever know. Hey!  
Na na naaa na...
