I'm love, love crazy  
Crazy over you  
I'm love, love crazy  
I'm helpless  
There's nothing I can do

Cupid, he must have  
Shot me with his arrow  
When I first saw your face  
Cause I, I been floating  
On a cloud ever since  
Girl, I'm just a hopeless case

The first time that I held you  
I knew that it was just  
A matter of time before  
I did what comes naturally when  
A pretty girl blows your mind

I think about you  
In the middle of the day  
Thinking how much I love you  
And if everything's okay

Can't wait to hug you  
And squeeze you, oh, so tight  
Then make such good love to you  
You'll be hanging on for dear life

I'm love, love crazy  
Crazy over you  
I'm love, love crazy  
I'm helpless and  
There's nothing I can do

You bring me all  
The joys I possess  
You make me feel alive  
Well, well, they say man  
Can't live by bread alone  
You're the reason I survive

Whenever times get  
Dark and cloudy  
You make my gray skies blue  
And whenever I fell  
You're always there  
To bring me up  
I can always count on you

No one else has made me  
Feel the heat of the battle  
Nothing I can say or do  
I could the wild thing  
Twenty-four hours a day  
That's the way it is  
When I'm with you

I'm love, love crazy  
Love crazy, baby  
Crazy over you  
I'm love, love  
Love crazy, ooh  
There's nothing I can do

Yeah, yeah, yeah  
Love, l-o-v-e, love

Love me til you're, girl  
You got me going crazy  
You got me doing freaky things  
Just thinking about you

I can't stand it, girl  
When I'm all alone  
Without you, without you, girl

I can't stand  
I'm going crazy  
I want you to move in  
With me, baby

Love crazy  
I'll sure give it to you  
I'll sure give it to you  
I'll sure give it to you

Love crazy  
Get it, baby  
Cause I love you true  
You got me going crazy

Drive me crazy

Drive me crazy  
I got so much love  
To give to you now

I got so much love  
For you, baby...
