Baby, you know the nights are forever without you
And I'm planning to make-up for lost time
So, hold me, don't let go of me
Let your love flow like never before
Seems it been a lifetime but you were worth waiting for
Even after you give me your love
Give me more (more) and more and more (more) and
more and more
(I'll take) all that you have
Give me more (more) and more and more (more) and
more and more
~Cause I never get enough of your love
(Woo, woo! yeah, yeah)
Nobody knows what tomorrow may bring
Baby, so let's take advantage of the times we have
So, hold me, don't let go of me
Let me fill you with all the love that I got
~Cause you are the thing that I don't want to ever
lose
Can't you see that I stay hungry for you?
Give me more (more) and more and more (more) and
more and more
(I'll take) all that you have
Give me more (more) and more and more (more) and
more and more (oh, yeah)
~Cause I never get enough of your love
(No, no! hmm)
I Love you tonight
I'll love you forever
Can't imagine living here without you
We can feel that this feeling's real
We'll just keep pouring fuel on this red hot flame
So, hold me
Don't let go of me
Let me fill you with all the love that I got
~Cause you are the thing that I don't want to ever
lose
Can't you see that I stay hungry for you?
Give me more (more) and more and more (more) and
more and more
(I'll take) all that you have
Give me more (more) and more and more (more) and

more and more (yeah)
~Cause I never get enough of your love
(No, no~woo~no, no~.ooh, yeah, yeah)
