Verse 1

Here we are, the two of us together,
Taking this crazy chance to be all alone,
We both know that we should not be together,
Cause if they found out it could mess up,
Both our happy homes

Verse 2

I hate to think about us not together,
As soon as I look at you it will show on my face,
Then they'll know that we've been loving each other,
We can't let'em know, girl, no, no,
We can't leave a trace.

Chorus

Secret lovers that's what we are,
We should not be together,
But we can't let go cause we love each other so.

Verse 3

Sitting at home I do nothing all day
But I think about you and hope that you're okay,
Hoping you call before anyone gets home
I wait anxiously alone by the phone.

Verse 4

How could something so wrong be so right,
I wish we didn't have to keep our love out of sight,
Living two lives just ain't easy at all,
But we gotta hang on in there or fall

Chorus

Secret lovers that's what we are,
Trying so hard to hide the way we feel,
Cause we both belong to someone else,
But we can't let go cause what we feel is oh so real...
So real,
So real...

Bridge

You and me,
Are We fair,

Is this cool,
Or do we care?
Can they tell what's in our mind?
Maybe we'll be secret lovers all of the time?

Verse 5

In the middle of making love we notice the time,
We both get nervous 'cause it's way after nine,
Even though we hate it we know it's time that we go,
We gotta be careful so that no one will know.

Chorus

Secret lovers that's what we are,
Trying so hard to hide the way we feel,
Cause we both belong to someone else,
But we can't let go cause what we feel is oh so real...
So real,
So real...
