Touch a four leaf clover
Maybe you'll get over
Try and luck might
Come your way

Here I am on a cloud if you want me
Take the chance cry, love, out loud
As I drift through the sky
Shooting Cupid's loving arrow
You just might try

But don't miss me
Take your time and aim
'Cause you've only got one chance
I think you better touch

Touch a four leaf clover
Maybe you'll get over
Touch a four leaf clover
And luck might get you over

Touch a four leaf clover
Maybe you'll get over
Try and luck might
Come your way

Like the wind, I am free
Going places, being things I wanna be
To settle down is, oh, so hard
But I will grant you that one chance
Pick the right card

But don't miss it
Take your time, pick it
You only got one chance
You'd better

Touch a four leaf clover
Maybe you'll get over
Touch a four leaf clover
Luck might get you over

I'm free as a bird, yeah, yeah, yeah
To catch me is to catch a leprechaun
Hold on to your rabbit's foot
And I just might be yours forever
But you'd better

Touch a four leaf clover
Maybe you'll get over
Try and luck might
Come your way

Touch a four leaf clover
You might get lucky
You might just get me
Just might get lucky

Touch a four leaf clover
You never know
Maybe you'll get over
Try and luck might come your way

Touch a four leaf clover
You might get lucky
You just might get me, yeah, oh
Just might get lucky

Touch a four leaf clover
(Touch a four leaf clover)
You never know
(Touch a four leaf clover)
Maybe you'll get over

Come on, baby, touch it
(Touch a four leaf clover)
'Cause you just might do it
So come on and touch it
(Touch a four leaf clover)

Touch that four leaf clover
(Maybe you'll get over)
Ooh, babe, oh babe
(Touch a four leaf clover)
Just might get lucky
(Touch a four leaf clover)
