Unconditional Love

"Unconditional Love"
Who knows such a love made of
Can any one give
"Unconditional Love"

- Man -
I love you truly
And that's all I want
You do, do for me

- Woman -
Open that door, please
Is all, that I ever ask you,
To be

- Man & Woman -
But there, is just one mistake
I'm not sure that I can take
And that's giving your love away

{Chorus}
Unconditional love
Who knows, what such a love is made of
Can anyone give,
Unconditional love
Ohhhhh...

- Woman -
I want you, to be,
The man, that you
Feel, you need to be

- Man -
I would never keep you,
Under lock and key
Cause I believe, that a soul,
Should be set, free

- Man & Woman -

But just as long, as you live
Promise me, you'd never give
Your heart, to anyone, no

{Chorus}

- Woman -
I can be, understanding,
About anything,
Anything you need
Just don't careful with our love
I beg of you, I plead

- Man -
Unconditional Love
Is there such a thing?
(I don't know) - Woman's Voice
All I can do,
Give my heart to you
Cause I'm only human
And tha's all

- Woman -
Boy, I'll never keep you
Under lock and key
(Thank you, baby) - Man's Voice
Cause truely, I believe
That a soul, should be set free
(Thank you, baby) - Man's Voice
